

Dear Recruiters and hiring managers at Dolby:

With a bachelor's degree of Computer Science, I am writing to express my interest in Technology, Computing and Software Development. I have obtained knowledge of computer programming, back-end and front-end project development and working as a TeamLeader for my previous projects. I believe I would make a valuable addition to my future employer.

After working for half a decade in the financial industry, I have advanced knowledge in Personal Wealth Management, Business Banking and Client Relationship Building. My qualifications include series7, Series66 and Insurance. I learned strong communication skills and how to build an excellent relationship with my clients, as well as using the latest technology to educate and update my future outcome.

Please review my attached resume for additional details regarding my expertise. Don't hesitate to reach out to me if you have any questions.

Sincere,
Leiyi(Larry) Gao
